All-Star Academy U7/U8 Spring 2012

Designed for Children 6-8 Years of Age

LASC All-Star U7/U8 Academy Philosophy

The LASC All-star Academy is dedicated to providing technical soccer training in a fun and unique atmosphere. Correct skills are demonstrated by national and state licensed staff and then refined by using a progressive method that employs drills and fun games. The new skills are then perfected in small-sided games supervised by Academy coaches and parents.

LASC All-Star U7/U8 Academy Objectives

- Fun has to be an essential requirement of every exercise, and at every practice.
- Everyone must receive equal opportunity for involvement.
- Activity must be at the core of the soccer sessions.
